

WORKING OVERTIME — Probably the two most overworked of all overworked personnel in the administrative offices during the first two weeks of the semester were Registrar Eddie Fowler and his secretary, Miss Linda Wilbanks. Since increased enrollment called for additional class sections and re-organizing in

others, their first week was a seven-day one. Sections were added in government, economics, and English. First semester freshman English leads with 20 sections, followed by American history with 12, and algebra with nine.

Reservations Not Necessary For Good Time In Europe

By ANN MUSIC

Traveling in 14 European countries this summer, Lawrence Birdsong of the speech department discovered that a knowledge of foreign language and a set of reservations are not absolutely necessary prerequisites for an enjoyable European tour.

After a three-day stay in New York where he attended several plays, Birdsong joined a 31-day guided tour through Holland, Belgium, Luxembourg, Switzerland, Lichtenstein, Italy, Spain, France, England, Scotland, Germany, Austria and Monaco.

After completing this tour, he returned to places of special interest for an additional stay of seven weeks. During this personal tour he often arrived in cities without reservations; however, he was able to get lodging without a great deal of difficulty.

Since his primary interest was observing the performing arts, he attended plays, revues, and movies in every city and town he visited. In Salzburg, Germany he attended a festival of music, art, and drama which was of special interest.

There he saw a complete opera performed by puppets on a stage no larger than a desk top.

In connection with his intense interest in architecture and the arts, Birdsong visited countless castles and cathedrals. "In each one there is a good organ or priceless art object," he recalled.

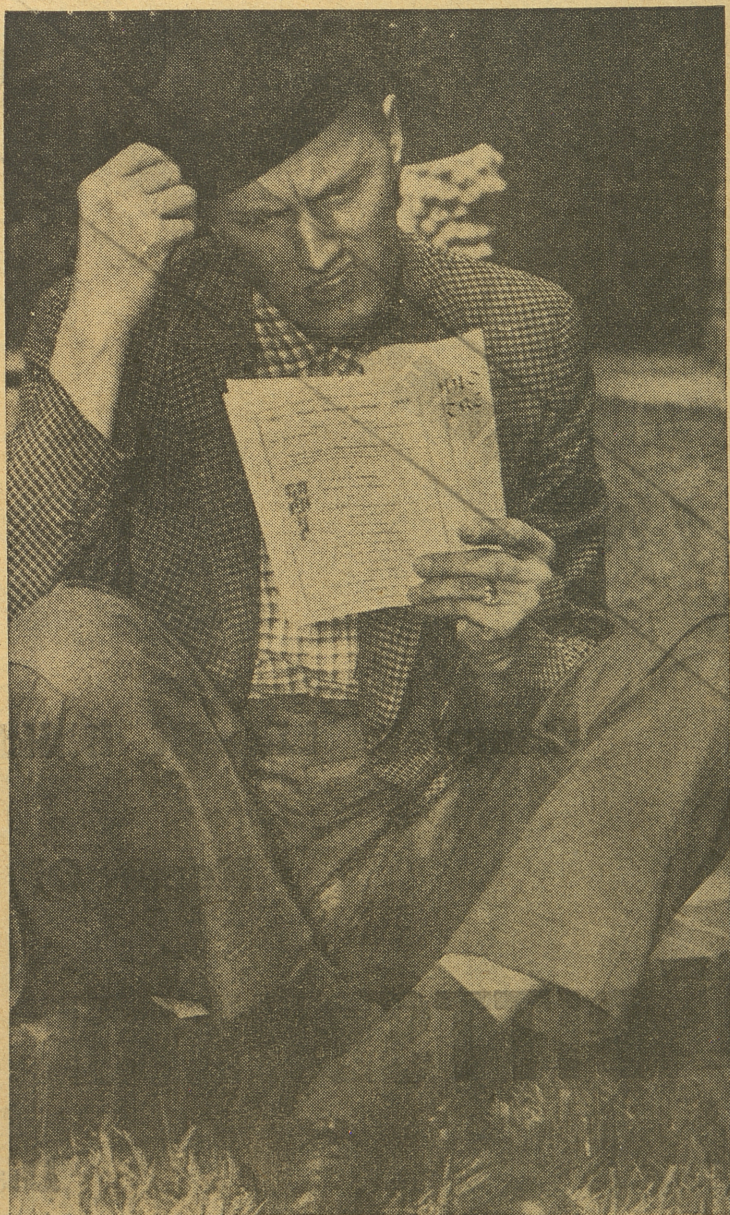

Throughout his travels on the continent, he discovered that European popular music is much like that of America. In fact, he even heard a great deal of "rock 'n roll."

During his visit to the World's Fair in Brussels, he noted that the American and Russian buildings seemed to be attracting the most attention. The fair, he said, was a quiet exposition, unlike the typical Texas State Fair with its noise and blare.

Recalling some monetary oddi-

ties, he said, "In Switzerland one can buy a famous-brand watch for 50 per cent less than the American price, yet a box of Kleenex tissue, which cost 18 cents in the United States, is \$1.25 in Madrid."

Wherever and however he traveled — by train, plane, boat and automobile — he was impressed with the hospitality and friendliness of the European people, particularly those of Holland and Germany.

LAWRENCE BIRDSONG

Mrs. Wallace Named Counseling Director

By BETTIE BEAIRD

Because of an unusual interest in young people, Mrs. Mary Wallace has relinquished her regular classroom status to become a full-time director of counseling.

"I like young people and I feel that I can help a larger number by counseling and teaching the freshmen orientation classes," Mrs. Wallace said in giving up her teacher training and accepting the new position.

Mrs. Wallace's chief concern now is student problems. Among them are dropping courses, program changes, conflicting schedules, absences, personal, social, and financial problems.

As to the absences, she promised a "better check than ever before."

Some 500 students in four freshman orientation classes is also a part of Mrs. Wallace's schedule. The course helps the new student to adjust to college and its activities. The freshman learns how to study and use the library, they discuss occupations, a sound philosophy of life, dating, courtship, marriage.

Mrs. Wallace's work brings her in close contact with the faculty, Dean E. M. Potter, Registrar Eddie Fowler, and the dean of women, Miss Elizabeth Bryarly.

Her office is used as the center of the testing program and is the center for individual students to bring their problems.

She will continue to sponsor the NEA (Future Teachers), an organization which she began at TJC in 1951.

A unique student tribute to her influence in training future teachers was a scholarship fund set up by a former student, Emmitt Wil-

liams, now a principal in the Dallas schools. The TJC Mary Wallace Scholarship Fund was established to provide a \$100 scholarship each year to an outstanding future teacher here.

Mrs. Wallace has been with TJC since 1947. Prior to that she was director of elementary education for Smith County schools. For the last three years she has done part time counseling along with teaching English and education.

She received her BA from Hardin-Simmons University and her MA from the University of Texas. She attended Boston University under the Danforth Foundation in 1955 where she took summer work in counseling. She is an education and an English major.

Also active in civic affairs, in 1941 she organized the first community presentation of "The Messiah" by Handel. This organization later became known as the Tyler Civic Chorus. In 1945 she served as music chairman of the Association of American University Women and later served as president of the association.

She was the first and second vice-president of the Texas Junior College Teachers Association, organized the Messenger and served as its first editor. In 1953 she served as a member of the All-Texas Committee and helped make plans for the national convention of the American Association of junior colleges in Dallas.

As the outstanding member of the Alpha Eta chapter of Delta Kappa Gamma in 1951 and served as their president in 1953.

She is also listed in Who's Who of the South and Southwest, and will be listed in the first edition of Who's Who of American Women which will be published this fall.

Welcome To Tyler Junior College

Tyler Junior College has begun its college year under the most favorable circumstances which the institution has ever experienced.

Our new modern college facilities are nearing completion; the program of campus beautification is well underway; the new dormitories will be completed in the not distant future; a faculty of the highest type has been assembled; and everywhere I hear excellent reports concerning our student body.

All this is indeed pleasing, and it gives us every reason to look forward to a most pleasant and profitable college year.

As we begin this new college year, may I extend to you my very best wishes and express the hope that each member of the Apache Tribe will take full advantage of the opportunities provided.

Sincerely,
H. E. JENKINS.

'No Charge' Is Possibility For Yearbook Pictures

"Every day college students' picture in the 1959 Apache yearbook" — that is the wish of the yearbook staff.

The possibility that there may be no charge this year for individual class pictures or for organization group pictures is the biggest inducement the staff can make toward realization of a full

day college representation.

Whether the pictures will be made without charge this year, said Mrs. Averille Greenhaw, faculty yearbook sponsor, "depends on the staff's selling 500 copies of the Apache."

"We fully expect to make the announcement that the pictures will be free," she said, "and the students will know definitely before Tuesday, Sept. 23, the first day for taking individual class pictures."

Rolan Crawford, yearbook photographer, said he had scheduled all individual class pictures for Sept. 23, 24, 25, and 26 (Tuesday through Friday). He will set up his equipment in the Board Room, the first door to the right of the library, and begin shooting pictures next Tuesday.

No appointment is necessary. Students may come in any time between 8:30 and 3 p.m. Each student will have his choice of two poses.

Putting the picture in the yearbook is only one of the values of an individual student shot, Mrs. Greenhaw pointed out. "After the picture is used in the yearbook, it goes to Registrar Eddie Fowler's office and is attached to the individual's permanent record. It becomes a valuable part of the student's file and is available to prospective employers."

She also said the college would have a university size yearbook again this year and that it "would be equal to or better in quality than last year's book."

Freshmen To Elect Officers Sept. 23

Freshmen will hold their class officer elections Tuesday, September 23. The ballot box will be located at the end of the main hall and only those of freshman standing may vote.

Offices are open for president, vice-president, and secretary.

Three candidates for president and their campaign managers are Jerry Pendland, Palestine; with Jerry Hanson, also of Palestine, campaign manager; Charles Harvin of Lindale, manager Bill Sublette of Tyler; and Jim Brown, Tyler, with manager David Prejean of Tyler.

The office of vice-president is being sought by Glenda Matthews of Tyler, manager Jimmy Phipps, Tyler; and Rosalind Butler of Mt. Pleasant, manager Riley Burnett of Port Neches.

For secretary-treasurer; Kay Rodieck, and her campaign manager Kay Phillips, both of Tyler, and Glenda Oxford of Mineola, manager unreleased.

Freshmen To Know Tests Results Soon

Results of freshmen test will be available to the students through their individual counselors in approximately two weeks, Mrs. Mary Wallace, director of guidance, said.

"When the tests are scored, medians and quartiles figured, each student will be assigned to a faculty member in his major field for a conference concerning the tests and counseling throughout the year," she said.

Registration Continues Through Friday

Late registrants have two more days to enroll if they expect to receive credit in their courses, Registrar Edwin Fowler announced. Friday closes the two-weeks period allowed for registration.

Enrollment is being handled in the registrar's office. Hours are from 8:30 a. m. to 5 p. m.

79 GIRLS; 20 TOWNS

TESN '58 Freshman Enrollment Doubles

Opening of the fall semester finds the Texas Eastern School of Nursing with more than 100 per cent increase in freshman enrollment over the 1957 fall semester. Forty-five beginning nursing students have enrolled; twenty-one enrolled last fall, sixteen of which are still here.

Director of TESN, Miss Eulah Pullen, said the girls "came from everywhere" and that she "expects good students because of the wider choice of applicants from which to screen this year."

Nursing students entering TESN are preclinical until the end of the spring when they become classified as freshman.

After capping services in May, these students wear plain caps for three months and then in September get two vertical stripes for the rank of junior. One year later they become seniors and wear one horizontal stripe.

After becoming seniors, they have one full year to complete before graduation. They then take state examinations for RN's. Miss Pullen said no graduate of TESN had ever failed the state exam.

The colorful and modernistic new nursing residence which was finished last March provided ample classroom and living space for 80 students. According to Miss Pullen, there is only one room vacant even though seven girls live out of town.

Total enrollment in TESN at this time is 79 students. Tyler leads in representation of new students by having a total of 13. Nineteen other towns are represented:

Tyler: Willa Jean Bender, Charlotte Bishop, Phoebe Dennis, Patricia Fasel, Bobbie Green, Barbara Long, Patricia Luske, Dian Pummer, Yvonne Redfearn, Loreta Sheffield, Ann Simms, Nelda Weeks, and Suzanne Lasater.

Others are Sara Barton and Betty Jo Powers, Gainesville; Bar-

bara Burditt, Judy Dunbar, Judson; Sarah Cox, Peggy Goulden, Jeanette Myers, Nancy Braudaway, Marshall; Mary Doug Denton, Troup; Winnie Forbes, Douglasville; Martha Green, Mary Lou Harrison, Martha Stow, and Ruth Helen West, Mineola;

Gloria Harrington, Lufkin; Sandra Jones, Kilgore; Kay Massey, Lewisville, Ark.; Peggy Morgan, Canton; Paula Jean Moss, White Oak; Mae Pullen, Gilmer; Linda Roach, Sims; Virginia Rogers, Bassett; Patsy Ross, Beckville; Sue Stewart, Jimmie Thompson, Overton;

Jena Bea Stone, Sue Ellen Wynn, Texarkana; Jane Terry, Alba; Jimmie Thompson, Overton; Lyada Gayle Wilson, Longview; Carolyn Sue Thomas, Sulphur Springs; Pat Wilabay, Hawkins; and Delores Hicks, Lindale.

Yearbook Staff Needs Members

All persons interested in joining the Apache yearbook staff will meet Friday in Room 103 at 10:13.

All staff positions are open except business manager and photographer. Allen Waghalter from Tyler is business manager. Rolan Crawford also from Tyler, will again serve as photographer.

Waghalter's first project of the year is to try to sell enough ads so that the staff can give even a better quality book than last year but at the same price. The staff intends to keep the new university size that was adopted last year.

Plans are to include all day students pictures in the yearbook, whether or not they buy a yearbook.

Fifteen potential members attended the first meeting last Friday.

13 TESH Students Run For 4 Offices

Thirteen nursing students are running for the four student body offices open at Texas Eastern School of Nursing.

Election of officers will be held next week.

Seniors campaigning for the office of president are Kathryn Hooten, Emma Emby, and Nadine Lumpkin.

Four juniors are running for the office of vice-president. They are Kay Raley, Carol Tucker, Joyce Cowan, and Geneva Bowles.

Juniors running for secretary-treasurer are Ann Coan, Frances Kuykendall, and Carolyn Epperson.

Junior candidates for parliamentarian are Carolyn Johnson, Bonnie Wilson, and Norma Crowley.

All candidates for the four offices were nominated by a senior committee composed of Oleta Barker, Carolyn Johnson, Bonnie Wilson, Billie Faye Willis, and Kathryn Hooten.

Although the School of Nursing has its own student body officers, it is also affiliated with the student council at Tyler Junior College and has a seat on the council.

Speech Department Adds Voice, Diction Course

"It is the realization of a great dream," said Dr. Jean Browne.

Dr. Browne was referring to the new course offered this year in the speech department. The course is voice and diction. This speech course varies from other speech courses here in that it teaches the student how to use the tools of the trade to his best advantage.

Everyone has a different project. Each will work on the type of speech he will be using in his own profession. No matter what his major may be, most of his speeches will pertain to his major field.

This course, Dr. Browne said, teaches the student to "make a work of art out of what others might give as a written speech. It will help make his voice more effective and much more impressive. He will learn how to give his voice expression as to emotion."

57 Enroll In Drafting Course

Instructor of the drafting department, Jack Betts, reports a sizable increase in enrollment from that of last year.

Thirty-five enrolled last fall; to date 57 have signed for the fall session. Of this number, 21 are advanced students and one a transfer from Texarkana Junior College.

Drafting students seem to have little trouble finding work once they have finished the course, Betts' records show.

Recent graduates who have been placed are Harold Stout and Jerry Baker with Thikol Chemical; Larry Hardegree with Mosher Steel; Jimmy McCarty and Phillip Reed with Humble; Jose Ortega and Jerry Tate with G. E.; Samuel

Sanford with Nichols Industries in Jacksonville; Donald Spence, past president of the Drafting Club, with the City Engineering department; and Malcolm Johnson, a non-graduate, with Eastman Kodak.

MSM Will Organize 'Wesley Players' Club

The Reverend Arthur Pry, director of the Methodist Bible Chair, announces a drama group known as the Wesley Players will be organized soon. Lawrence Birdsong, head of the Speech department, has offered his assistance in getting this group started.

Seven New Instructors Join Day College Staff

Seven new, full-time instructors have joined the academic day college teaching staff. They are Miss Lena Exum, English; James Fife, Bible; Mrs. Lily Keleti, piano; Mrs. Gloria Jackson, history; Mrs. Evelyn McManus, head librarian; Floyd Stoddard, English; P. D. Wilmeth, Bible.

Miss Exum received her BA at Mississippi State College for Women and her MA from the University of New Mexico. She came from the University of New Mexico and was a graduate assistant in English there.

Fife graduated from Abilene Christian College this year. He is director of the Church of Christ Bible Chair.

The new head of the department of piano, Mrs. Keleti, is a native of Hungary. She is a graduate from the conservatory of Budapest and held a professorship in the conservatory for six years. She was professor of music at the University of Ohio before coming to TJC.

Mrs. Jackson, a TJC graduate, received her BA from TCU and her MA from SMU.

Mrs. McManus is a graduate of Southwestern University in Georgetown. She was assistant librarian in the Law School library at the University of Texas before accepting head librarian here.

Stoddard received his BA and

MA from the University of Texas. He was also on the University of Texas faculty before coming to Tyler. He taught two years in the English department there.

Wilmeth, minister of the Glenwood Church of Christ, will teach Bible at the new Church of Christ Bible Center. He received his MA in religious education from Columbia University. He did undergraduate work at Abilene Christian College, Sam Houston State College, and Texas Tech. His undergraduate major was Administrative education and Bible.

BSU Will Organize Tomorrow At 10:16

The organizational meeting of the BSU will be held tomorrow at activity period, 10:16, in the Baptist Student Union Building, according to the director, the Reverend Leo Rudd.

Election of a president and a vice-president will be the primary business. Both freshmen and sophomores are eligible to hold office.

Ann Musie turned in the first story that was accepted for this semester's work on the TJC Pow Wow, according to Editor Carolyn McWilliams. Ann is a journalism major from Van.

Church Of Christ Bible Center Holds OpenHouseSept.28

The Church of Christ Bible Center will hold an open house for the general public, Sunday, Sept. 28. Guests are invited to come in between 3-5 p.m. to view the new facilities and become acquainted with the proposed program of the center. Refreshments will be served.

James Fife, director of the center and graduate of Abilene Christian College, said he expected people from the entire East Texas area.

The center, completed only this summer, has the "contemporary touch." Japanese grass cloth adorns the walls; a suspended fiber glass ceiling adds beauty; and the entire building is paneled in black walnut. The lounge area has an orange and white motif, and the couches and chairs are all in modern design.

Plans are now under way for the Student Open House to be held shortly after this event.

Two Women Join Office Personnel

Two of the five women personnel in the administrative office are new to both old and new students. They are Miss Maxine Robinson and Miss Audry Gambill.

Miss Robinson of Quitman is receptionist and secretary to Dean E. M. Potter. She began working at the end of the last school year and is a graduate of the TJC business school.

Miss Gambill assumed duties Sept. 1 as secretary to Business Manager Richard Barrett. Her home is in Waskom. She succeeded Janell Spear, who accepted a position with the SMU business office.

Others new only to new students are Miss Ava Lee Gentry, graduate of the TJC business school, Miss Louene Wilson, a former student of the business school, and Miss Linda Wilbanks, a graduate of the business school.

Miss Gentry of Tyler is secretary to President H. E. Jenkins and Miss Wilson, secretary for the library. Miss Wilbanks of Lindale is secretary to Registrar Eddie Fowler.

BUYS FIRST BEANIE—Douglas Stelter from Tyler was the first of about 500 freshmen to purchase beanies from Mrs. Lavalla Ward, director of the student center. Carolyn Thomas of Sulphur Springs is in line for one too. Freddie Head, president of the student body, is encouraging freshmen to wear their beanies until after the homecoming game with Kilgore, Nov. 8.

Drafting Club Meets This Morning

The Drafting Club will hold its first scheduled meeting today at activity period, 10:16 in Room 112, according to Mack Hall, vice-president. Hall said most of the period would be devoted to the election of new officers.

Out-going officers are Hall, Rodney Starnes, secretary-treasurer; Pat Musick, reporter; Kenneth Cline, parliamentarian; and Ed Walker, sergeant-at-arms.

Hall and Instructor Jack Betts

invite all drafting students to attend this first meeting.

What They Say

I. L. Friedman, director of the evening college, watching journalism students hovered over their typewriters one afternoon last week, "Y'all are as busy as ants at a picnic."

Thursday, Sept. 18, 2 p.m.
Room 115

Math Ability
Study Habits and Attitudes

All freshmen who did not take the tests at the regular time, missed one of two tests, or registered late, are urged to take them at this time.

The fee is \$2.50 for one or all of the tests.

Students Fail To Utilize Two Major Parking Areas

By RICHARD ZANKER

Parking has become a problem this year due to increased enrollment and the failure to utilize all the parking lots. The college has four parking lots, but most persons seem to be aware of only two.

The four are: 1) in front of the Fine Arts building 2) behind Fine Arts building 3) beside the gym on Baxter Avenue, and 4) beside the Teepee. The lots in front of the Fine Arts building and beside the Teepee are the most popular.

Dean E. M. Potter said that when the four lots were utilized, the college would have no trouble in providing enough space for each student to park at least two cars. He announced these suggestions,

compiled through experience and offered as constructive criticism:

- 1) Observe the markings.
- 2) Do not block the service entrance to cafeteria; trucks must load and unload in this space.
- 3) Pull far enough into a parking lane to permit extra clearance in the driving lanes.
- 4) Do not park in unauthorized places.

The parking lot behind the Fine Arts auditorium is closer than the end of the driveway in either of the front parking lots. And the parking lot at the gym is very little farther than the end of these two driveways. Parking in either of the two seldom used lots would relieve students from getting here at daybreak to find a place to park.

Sophomores Greet Freshmen

We, as sophomores, welcome you five or 600 freshmen who are taking up more and more space in the halls and parking lots. We are glad to have you anyway.

We are proud to be enrolled in Tyler Junior College, and hope that you, as the largest class to date, will feel a similar pride as part of your new family.

We welcome you to a college rated scholastically among the best of junior colleges in the nation and affiliated with the Association of Colleges and Secondary Schools for the Southern States.

It is up to you freshmen to see that, as well as being the largest in its history this year, it is also the best.

You who take your work seriously from the very beginning will share the good feeling about TJC which so many of we sophomores have.

You are apt to hear some disgruntled rumors about the merit of "junior college" spread by those who expected an easy time but didn't find it.

College is no cinch—any way you look at it!

Because of the "junior" in Tyler Junior College, uninformed students may interpret it to mean "preparatory."

No junior college is preparatory for anything other than its preparing students for their junior year in college.

Among untrue rumors you may hear circulated is the myth that every grade made at

TJC is automatically lowered to "C" when transferred to a senior institution. TJC grades are never lowered; they are never changed. They are accepted in a senior college at face value.

Another rumor circulated is that if a student makes "D" in a course, he may as well drop the course because no college will accept a "D".

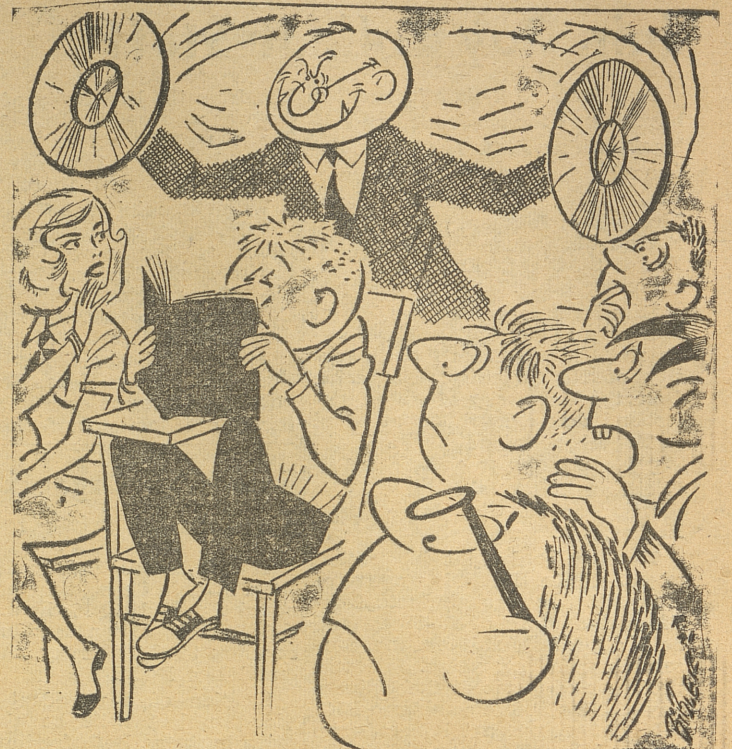

Although a few senior colleges refuse to accept a "D" from anywhere, most take a "D" with concessions. A few, like Southern Methodist University, have recently denied "D" as passing — from TJC or anywhere else. They will, however, accept the "D" if the students make a "B" or better in an advanced section of the course on their campus.

Because all students must get their two final years elsewhere, they would be wise to review the degree plans of their chosen senior institutions on entering here. They may lose credit upon transfer elsewhere, but only because they did not follow the prescribed degree plan or because they changed majors. This loss would not be the fault of any college.

So those who begin their first year here realizing a junior college is not a period of merely marking time will find themselves at an advantage.

Those unfamiliar with the junior college would do well not to be taken in by a few untrue rumors. If in doubt, contact an instructor or Mrs. Mary Wallace, director of counseling and guidance.

LITTLE MAN ON CAMPUS

"YOU ONLY FALL ASLEEP ONCE IN HIS CLASS."

To The Student Body

FREDDIE HEAD

It's that time again! Time to kiss those summer jobs and "lazy summer nights" good-bye for another year. The "rat race" is on! Don't you hate to see it come?

But seriously, things aren't quite that bad. Think of all those old friends you'll see again and the new ones you'll meet. And how about football games and Indian summer nights with the right guy or gal?

What about student activities? Your student council is hustling. We have held weekly meetings since July 4. Due to the ingenuity of council members Bill Pratt, Liz Balfour, Jack Henry, Fred Watkins, and Jeanne Lawhorn things are well organized and under control. These elected council members have had valuable help from social chairman Patty Prestwood, publicity co-chairman Carolyn McWilliams, and election chairman Tom Authur as well as from committee members Gay Horton, Lonnie Fletcher, and Kay Phillips. This hard working group of council and committee members will strive to give you good student activities throughout the year.

Now a thought aimed specifically at you!!

We all come to college with somewhat different goals, but let's stand together with one common desire. As we fight it out with Kilgore and Lon Morris on the athletic field, let's give all we've got in the classroom and on the campus to make TJC the best of junior colleges.

We've got a winning football team. We want a winning student body!

Tips For Freshmen

An excerpt from an editorial in the Tyler Morning Telegraph gives some tips for college freshmen everywhere that may be of interest to local freshmen:

Here are some samples:

Keep your personality. It is too difficult to keep up a new college pose. The pseudo actor who puts on an act often alienates any new friends he may make.

Don't be ashamed to admit you have to study hard. Too many freshmen study in secret, or not at all, because they think it isn't smart to get a reputation as an egghead. It is approved practice to spend hours in pursuit of learning.

You need outside interests to make the work go better, but don't get involved for the sake of being popular. When you spread yourself too thin, you don't get the most out of college life. Take on only those activities that interest you.

It is juvenile to "run wild" the minute you get away from home. If you don't drink and smoke at home, you will not be written off as a dud if you stick to your standards.

Take advantage of all the interesting lectures and musical programs. They are opportunities for self-improvement you must not miss.

Grid Course Proposed

We have courses in driving, cooking, and almost everything else—so why not a course in football for spectators?

Too many of us go to football games and are seen rather than heard because we don't know when to cheer—except for a TD or a long run.

Could we have a voluntary class made up of students interested in knowing more about the game of football? The class could meet during activity period, possibly directed by a student who is up on football.

We could learn the rules of football, penalties, and scoring.

If we could learn more about football, we would enjoy watching the game more than watching our fellow-spectators.

Faculty Briefs

FRANCIS HALEY made an extensive geologic field trip out of his trip home from an 8-week course at the University of Illinois.

He was one of 26 college instructors selected to attend the summer session under the National Science Foundation grant.

Haley, accompanied by his family, made the trip home "the long way." Their camping tour of the West included such points of interest as the Black Hills of Dakota, the Grand Tetons, Bryce Canyon, Yellowstone National Park, Zion Canyon, the Petrified Forest, and Grand Canyon.

MISS JEAN SHIRLEY stopped in Tyler over the week end on her way to her new position at Baylor University this fall.

Miss Shirley taught English the past three years at Tyler Junior College. In addition to her teaching duties, she was sponsor of Phi Theta Kappa, national honor society.

She will teach four freshman English courses at Baylor this fall.

PAUL GRIER, foreign language instructor, spent most of his summer in his native South Carolina. While there he interpreted sermons for a Mexican minister, coached high school students in Spanish, and attended a church camp.

HERMAN CROW vacationed in Tennessee and Kentucky during the summer.

MISS ELIZABETH BRYARLY became a member of Delta Kappa Gamma, an honorary organization for outstanding women educators, this summer.

Perhaps typical of other members of the TJC faculty, MRS. MARY WALLACE said of her summer, "I didn't do anything, I just worked."

Mrs. Eva Saunders has rejoined the TJC day faculty as part-time instructor in educational psychology this year.

Educational psychology was one of her majors on her MA degree from the University of Texas. She formerly taught her other major, drama and speech, at TJC on a full-time basis.

The familiar coffee bar for faculty members has been moved from the home economics lab to the new college dining hall.

Laff Time

Why did the Democrat and the Republican marry?
So they could create a third party.

A teen-ager sent his girl friend her first orchid with this note: "With all my love and most of my allowance."

Word Quiz

To test your present vocabulary, choose the numbered word which is most nearly the same in meaning as the words in italics.

1. *Querulous*: (1) questioning (2) tired (3) strange (4) fretful (5) tremulous.

2. *Unfeigned*: (1) genuine (2) unmitigated (3) overpowering (4) piteous (5) lasting.

3. *Versatile*: (1) poetic (2) fanciful (3) admirable (4) unassuming (5) many-sided.

4. *Facetious*: (1) involved (2) jocose (3) mystery (4) plausible (5) satirical.

5. *Inevitable*: (1) enviable (2) probable (3) unavoidable (4) extraordinary (5) monetary.

6. *Clemency*: (1) favoritism (2) determination (3) classification (4) mercy (5) tendency.

7. *Histrionic*: (1) pictorial (2) historical (3) authentic (4) mechanical (5) theatrical.

8. *Vogue*: (1) popularity (2) sight (3) existence (4) comparison (5) knowledge.

9. *Sinister*: (1) widespread (2) adverse (3) astral (4) former (5) commercial.

10. *Discrete*: (1) geographical (2) possible (3) separate (4) transmitting (5) foresighted.

Answers on page 7.

A Letter To The 58 Student Council

A letter from Gayle Essary, last year's president of the student body to the 1958-59 student council:

The council and I made mistakes last year, and a few of them were whoppers; therefore, I feel that I should offer a few suggestions to this year's student government in order that they might not make the same mistakes. They are:

1) Submit a constitutional amendment to the students providing for a fourth general officer: a social secretary, who will take over the duties of planning and staging social affairs.

2) Set up spring intra-murals in some popular sport or competitive game for both men and women.

3) Ask for a return to allocation of student activity funds per capita and encourage student organizations to undertake additional projects and all-college functions. But, please, please handle your allocations wisely, then when you ask for more, you will have the confidence of the administration. Remember that the next student council may need money also.

4) Plan early for an all-inclusive Religious Emphasis Week to be held sometimes in February or March.

5) Fully organize an ex-student's association in line with an all-inclusive TJC Homecoming program this year.

Sincerely,
GAYLE ESSARY.

Math teacher: "What is a circle?"

Student: "It is a straight curve around a dot."

The TJC Pow Wow

The TJC Pow Wow, official newspaper of Tyler Junior College, is published every other Wednesday, except during holidays and examinations, by the journalism classes.

The views presented are those of the staff and do not necessarily reflect administrative policies of the college. Signed articles are the views of the writer, not necessarily of the Pow Wow staff.

Letters to the editor must be signed, though initials will be used at the writer's request.

A TOUCH OF COLOR AND BEAUTY—Representatives of the organization shown here are bandsman Bob Lovelady; Sophomore Kay Phillips; and freshman Corrine Griffith discussing their first Tyler appearance of the 1958 season which they made Saturday morning as they led the East Texas Fair Parade. The parade began at Goodman Park on North Broadway, made a circuit of the downtown square, and returned to its originating point. The Band and Belles are under the direction of Eddie Fowler and Mrs. Mildred Stringer.

Students Invited To Youth Center

has been newly air-conditioned and offers visitors the conveniences of the snack bar, juke box, roller rink, basketball court, ping-pong tables, television, and the privacy of an Upper Room for meditation or prayer.

Hours open to TJC students are 3-6 p.m. and 7-9 p.m. Tuesday through Thursday and 3-6 p.m. and 7-11:30 p.m. Friday and Saturday.

R. C. Thurman, director of the Marvin Methodist Youth Center, extends an invitation for the use of the center to all TJC students regardless of their religious affiliations.

The youth center, located at the corner of Erwin and Bois d'Arc,

Council Says Dance 'Worth All Effort'

Student council members were surprised to find how much "blood, sweat, and tears" is involved in giving a get-acquainted dance. But after the final tune had ended, and the doors were closed behind the last couple, they felt their efforts had been well justified.

The weeks of planning, posters, and messy paints were ended—and it was a happy ending for the first dance of 1958-59.

Jeanne Lawhorn was chairman of arrangements for the dance which approximately 200 students attended.

Purpose of the dance was to make the freshmen feel welcome and for the sophomores to meet their cronies after a summer of separation.

Decorations for the dance provided a look into the future by representing the many activities available to TJC students. There were miniature fraternity members, Apaches, Atta Kula Kula girls, nurses, drafting majors, and engineers. Apache Belles, football players, band members, teepees, and Chief Winumall dolls hung from the walls.

A "crystal ball" was suspended in the middle of the Tom Tom Room, symbolizing a peek into the future.

Freddie Head, president of the student body, said he felt the success of the first dance was an indication of increased student interest in school activities.

Students who helped with decorations were Bill Pratt, Jack Henry, Fred Watkins, Elizabeth Balfour, Gay Horton, Kay Phillips and Lonnie Fletcher.

Mrs. Mary Wallace To Give NEA Party

A coke party and a business session of the Student National Education Association (Future Teachers) will be held tomorrow morning in the home of Mrs. Mary Wallace, 711 West Third Street.

Mrs. Wallace, director of student counseling and guidance, is sponsor of the Tyler chapter of the Student Education Association. English instructor Miss Lena Exum will be co-sponsor. Thirty-three members met with Mrs. Wallace in an earlier meeting to plan this social and business meeting.

A first vice-president will be elected from the freshman class at this meeting. Those who plan to attend will meet in the east parking lot and go as a group in cars.

All future teachers are invited.

MSM To Sponsor Series On 'Gods Of The Campus'

The second in a series of three programs on "Gods of the Campus" will be given tomorrow at 10:15 at the Methodist Bible Center. Director of the Chair, the Reverend Arthur Pry, said the student public was invited.

"The Flight of the Butterfly," signifying those who feel college is a social whirl, is the topic for discussion. Robert R. Kristenson, minister of the First Methodist

Church of Troup, will be a guest speaker.

Pry reminded the Methodist students that they were automatically members of the MSM because of their church membership. Active membership comes by regular attendance of MSM on the campus, he said.

"Me First" was the topic of the first program. Paul Blanton, director of the MSM at SMU, spoke on those who put "I" before God.

Neither a social organization nor in competition with any regular club, Pry explained that MSM was the Wesley Foundation on campus. Its purpose is to provide students with a college-level religion.

MSM meets each Thursday at the activity period, unless an all-college activity is in conflict.

Jeanne Lawhorn, president of MSM, said programs had been planned for the entire semester.

Freshmen Greeted By Special Week

Get-acquainted week was pressed in the memory of several hundred students when activities of the week ended Friday.

Get-acquainted week actually began the preceding Saturday with the Kick-off Dance in the Tee Pee.

The Student Council met several times during the summer to plan ways to welcome the Freshmen each day of the special week.

Members of the Student Council greeted each student Monday morning with name tags which were worn during the week. Sophomores gave freshmen information on where the rooms were, when classes met, and how to understand schedules.

An announcement assembly was held Tuesday in Wise Auditorium. Freddie Head, president of the Student Council, introduced the Student Council officers and the school officials. Announcement concerning the week were made at this assembly.

Ronnie Williams and his Customs performed in the Tee Pee during activity period Wednesday.

A pep rally was held in the Wise Auditorium Thursday for the San Angelo Junior College football game. Cheerleader tryouts were held during the pep rally.

For the Friday entertainment, Steve Wright and his band played in the Tee Pee during activity period. Pat Hughes was master of ceremonies at this show.

Bopper, Gibson Are On Etex Fair Show

Don Gibson, The Slades, and the Big Bopper, singing artists, will share the spotlight tonight in the Mayfair Building at 7 o'clock as the East Texas Fair enters its last four days.

Don Gibson is nationally known for his two golden records, "Oh, Lonesome Me," and "Blue, Blue Day." "You Cheated" will be featured by the Slades from Austin who were formerly known as the Spades.

The Big Bopper, the disc jockey from Beaumont, will be singing "Chantilly Lace." The Big Bopper will return tomorrow night for a final show.

"Truth or Consequences," the nationally known televised morning show, with Bob Barker as emcee, will have two performances Saturday night from 7-9 and from 9-11 o'clock.

Fifty-five prizes will be awarded to the participating audience.

Free acts on the bandstand every night from 7:30-9:30 will feature various talents including dancing, twirling and singing.

Apaches Scalp Rams; Opens Home Stand

San Angelo Falls 28-8 In Season's First Game

Opening their gala football parade of the season before some 3,500 fans, Tyler lived up to its national rating with a 28-8 victory over the San Angelo Rams in West Texas.

The Apaches left no thoughts in the minds of those attending the game that they were just there to play football. The Black and Gold Warriors rolled to an 20-0 lead before the Rams could break into the scoring column.

Tyler scored some four minutes deep in the second period when Fullback Larry Corley rocked his way across the Ram goal line from the two-yard line. The try for the extra point was no good and the Apaches went to the dressing room with a 6-0 first-half lead.

Once again Corley proved to be the big man, this time in the third quarter, when he drove into the end zone from the four-yard line. His boot for the extra point was wide and Tyler held a 12-0 lead at this time.

The third TJC touchdown of the evening was scored when fullback Jim Leroy scooted in from the seven-yard line, still in the third period. Leroy then made his way over for the two extra points and the Apaches were in front 20-0.

San Angelo bounced back to score their lone touchdown of the night. The drive was highlighted by a 67-yard pass and run play that carried the Rams to the Tribe's 13-yard stripe.

Halfback Gary Ingram then took control and scampered the remaining 13-yards and the score. The Rams then passed for the two points to change the scoreboard to

read Tyler 20 and San Angelo 8. Tyler was not through for the night, however. Late in the final quarter, Don Keasler went back as if to pass, and then bounced his way into the promised-land for another six points.

Jimmy Sizemore carried into the end zone for the extra two points and the Black and Gold had won their first game of the year—28-8.

Pacing the Apaches line for the night were Frank Holey, Jack Murphy, Gary Raney and John Toole. Big Toole was an outstanding pass receiver as he gathered in most of Tyler's passes during the contest.

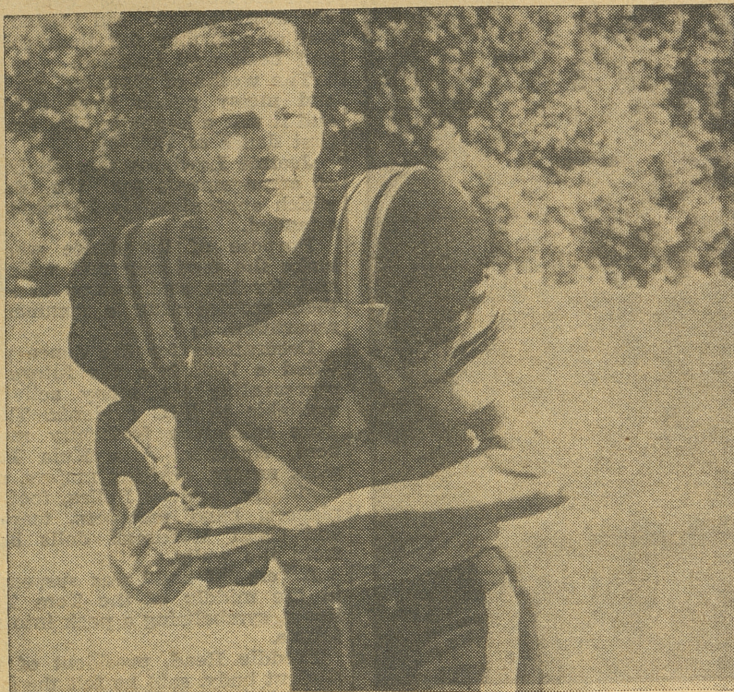

TJC racked up some 22 first downs to the Rams' eight. The Apaches held the San Angelo eleven to a minus eight yards rushing, while they rolled up 329 yards.

Teepee Makes Changes

Several changes were made in the TeePee campus student center, during the summer. A partition was moved to make more room for the new dining hall located in back of the TeePee, and the pool and ping-pong tables were removed.

The TeePee, which houses the campus post office, book store, student activity center and lounge, is open each school day from 8 a.m. to 4:15 p.m., under the supervision of Mrs. Lavella Ward.

Most day students eat lunch at the sandwich bar, and many more find the TeePee indispensable for that 10:00 coffee break.

RAMBLING TOOLE—One of the Apaches ready for the first home game of the season is End John Toole of Troup. Rated as a top end and pass receiver, Toole stands 6'4" and weighs in at some 195 pounds.

Campus Football Available As Extracurricula Activity

Campus football is now available for anyone who wants to play. Through the organized intramural league any campus club or organization may field a team.

This league is under the direction of Freddie Head and Irwin Matthews and is being sponsored by the Student Council. Teams are to have an equal number of players, consisting of no less than eight nor more than eleven playing at one time on a team.

Teams must equalize their numbers of players before each game and substitute excess players. A game is automatically forfeited if either team has less than eight players; however the game will be re-scheduled if both teams lack eight players. A team, at least fifteen minutes late also forfeits. Equipment will consist of shorts, t-shirts, tennis shoes, or cross country shoes, no cleats please.

A football, as well as two referees, for each game will be provided. Regulation football rules will prevail with the exception of tackling the runner.

Each team will play one game per week and standings will be kept by the athletic committee. Also the student council will award a prize to the team with the best record.

Game time will probably be between 12 noon and 3 p.m., but will be decided definitely by the athletic committee at a later date.

All groups are encouraged to organize a team, as everyone is eligible to participate except athletes. All interested persons should contact Freddie Head by Friday September 19.

TJC Hosts Wichita Frosh In Saturday Night Tilt

After a dramatic victory in West Texas, with the San Angelo Rams 28-8, the Apaches open a home stand, playing host to the University of Wichita Freshmen, and Arlington State.

Wichita comes to Rose Stadium Saturday night, at 8 p.m. for the first home appearance of Coach Floyd Wagstaff charges.

Wagstaff said that little known about Wichita University, but they are in the Missouri Valley Conference, which includes the University of Houston. Though that particular conference, he said, is not strong as the Southwest Conference, it is rated just a shade below it.

The Frosh came to Rose Stadium last fall and met a grinding 39-6 defeat.

A club rated as the most powerful and best club the Apaches will meet will hit Apacheland full force the next Saturday. Arlington State, ranked by almost everyone as the number one junior college eleven in Texas, has won the California Rose Bowl Championship for the past two years.

Last year, the Rebels went through the season undefeated and completely crushed such teams as Kilgore, Del Mar, Victoria, as well as the teams in their own conference. Wagstaff said the Rebels were the power of the junior college circuit, BUT, they have never defeated an Apache team.

The two teams have clashed about six times and Tyler has walked away with all the victories. This includes a tremendous 61-0 win over Arlington State in 1949. The head Chief pointed out, however, that during these years, Arlington State did not have the powerhouse they now have.

The clash between the Apaches and the Rebels, who lost only four players last year, should draw a sell-out crowd in the hugh Rose Stadium.

Sophomore: "Dad, you're a lucky man."

Father: "How is that?"

Sophomore: "You won't have to buy new books for me next semester. I am taking last year's work over again."

GG Winners Attend TJC

Three winners of the Golden Gloves are attending Apacheland this fall. They are E. T. Boone, Larry McClellan and Nicky Turman.

Recipients of these second annual awards proved to be outstanding in golden gloves competition and each was screened for scholastic ability.

The scholarships are for two years at TJC. Last year's recipient, Jack Henry, was the association's first winner.

Winners and sponsors this year are:

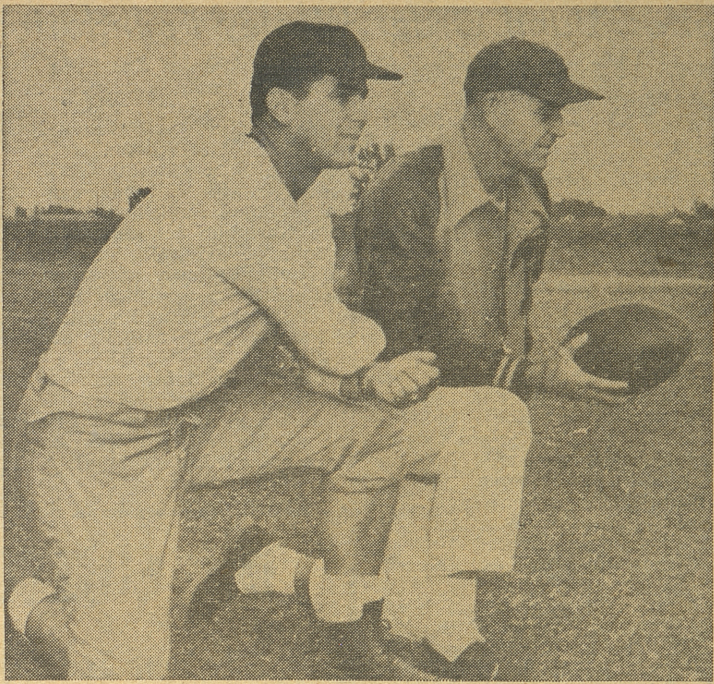

Boone—Harold Lawler.
McClellan—Anonymous donor.
Turman—Tyler Optimist Club.

Boone won the featherweight title in Tyler to advance to the second round in the state tournament in Fort Worth. He knocked out the tournament favorite, Robert Chauvin of Dallas, in his first Fort Worth fight, then lost a decision to the champion of the state meet and national semi-finalist, Gasper Sanchez.

McClellan won the high school welterweight championship at Tyler and was not eligible to participate in the state tournament. He is moving up to the open division of fighting this season.

Turman, youngest brother of professional heavyweight Buddy Turman, moved up to the light-heavyweight division on the regional meet in order to keep from having to meet his brother, Chet, in the middleweight class.

Turman lost a tight decision to Apache Vernon Cole in the regional championship match.

THAT'S THE WAY BOYS—Coach Floyd Wagstaff with his assistant Babe Hallmark, look over the potentials during a work-out of Apache squadmen. The head chief predicts a "good ball club" for the 1958 season.

READY TO GO

TJC Trims To Necessary 33 As Season Unfolds

The 1958 Apache Tribe was trimmed to the necessary 33 last week with the boys still competing for individual key positions. Several dropped during early season work-outs and others were shifted to new positions.

Tyler now has three full teams

ready for action, with eight other gridders certified for reserve strength. Each will be eligible to move up at any time needed.

The boys on the 33-member squad are:

Ends: Lloyd Pate, 6'1", 190-lb. from Dallas; Monroe Brewer, 6'2", 175-lb. from Nacogdoches; Anthony Lusk, 6'3", 190-lb. from Texarkana; John Toole, 6'4", 195-lb. from Troup and 165-lb. 6' Mike Radcliff from Nederland.

Tackles: Frank Holey, 5'11", 205-lb. from Dallas; Wilbert Joe Gorka, 6'2", 220-lb. from Needville; Reginald Nichols, 6'4", 195-lb. from Throckmorton; Jack Murphy, 6'1", 218-lb. from Chapel Hill and Don Murphy, 6'2", 208-lb. from Chapel Hill.

Center: Wayne Earp, 6'3", 220-lb. from Shreveport, La.; Gary Raney, 6', 195-lb. from Dallas and Tom Fullerton, 5'11", 200-lb. from Ponca City, Okla.

Guards: Riley Burnett, 5'8", 180-lb. from Port Neches; David Pitcock, 5'10", 175-lb. from Dallas; Homer Turner, 6', 180-lb. from Quitman; Guy Stafford, 5'10", 170-lb. from Galveston; Pat Parish, 5'11", 170-lb. from White Oak; Roy Cain, 6'1", 180-lb. from Hull-Daisetta, and Carl Otte, 5'11", 175-lb. from Galveston.

In the halfback position are Lanny Money, 5'11", 178-lb. from Irving; Leon Fuller, 5'10", 164-lb. from Nederland; Ted Jolly, 5'8", 155-lb. from Phillips; Ned Jolly, 5'10", 160-lb. from Phillips; Ray Hargrove, 5'10", 160-lb. from Wills Point; James Shaw, 6', 185-lb. from Quitman, and Billy Black, 5'8", 175-lb. from Alto.

Quarterbacks: Jimmy Sizemore, 5'11", 165-lb. from Rogersville, Tenn.; Don Keasler, 6', 180-lb. from Spring Hill and Richard Staton, 5'10", 160-lb. from Dallas.

Fullbacks: Jim Leroy, 6', 195-lb. from Rogersville, Tenn.; Larry Corley, 5'10", 185-lb. from Hemphill and Larry Bowers, 5'5", 170-lb. from Texarkana.

Coach Selects Five Toughest Games For Black And Gold

San Angelo's Rams, Arlington State's Rebels, Cameron's Aggies, Texarkana's Bulldogs and the Rangers of Kilgore were selected as probably the toughest teams the Black and Gold will face this fall, according to Coach Floyd Wagstaff.

He selected these five teams because of the outstanding records they compiled last fall and because they always rated high on the national polls.

Arlington State, California Rose Bowl champs for two straight years, walked through with an undefeated record last year and lost only four players. Texarkana claimed the National Junior College Championship last fall and

defeated Tyler 13-7 in Texarkana, and the Tribe returns there once again this season.

Kilgore, arch-rivals of the Apaches, always come up with a good team and they are also ranked in the top teams across the nation. The two clubs did not meet last year, due to the withdrawal of TJC from the Longhorn Conference. The two teams will meet in Tyler for the final game of the regular season.

The head coach said that the Cameron Aggies were always tough in Oklahoma. Tyler won a thrilling 16-0 game over the players from Aggie land here last year, to hand the Cameron eleven their first defeat of the season.

Apaches Rank No. 4 In National Poll; Arlington State Selected Top Team

Tyler Junior College was rated the number two team in the South and the number four team in the nation in junior college circles in a pre-season NJCAA poll.

Taking first place in the national rating were the Rebels from Arlington State College. They compiled a total of 208 votes for the top spot.

Cameron State was chosen as the number two team in the nation and the number one club in the North. Northeastern Oklahoma came in second in the North.

Texarkana and Kilgore followed Tyler in the South division—holding the third and fourth spots.

SOUTH

1. Arlington State
2. Tyler

3. Texarkana
4. Kilgore
5. Joplin, Mo.

NORTH

1. Cameron
2. Northeastern Oklahoma
3. Boise, Idaho
4. Fairbury, Neb.
5. Coffeyville, Kan.

Other teams receiving votes in the pre-season rating were Henderson County, Victoria, San Angelo, Del Mar, Tarleton State and Navarro.

Wagstaff Predicts 'Good Team' For '58

"We should have a pretty good ball club." The comment comes from the man in a position best to know—Coach Floyd Wagstaff.

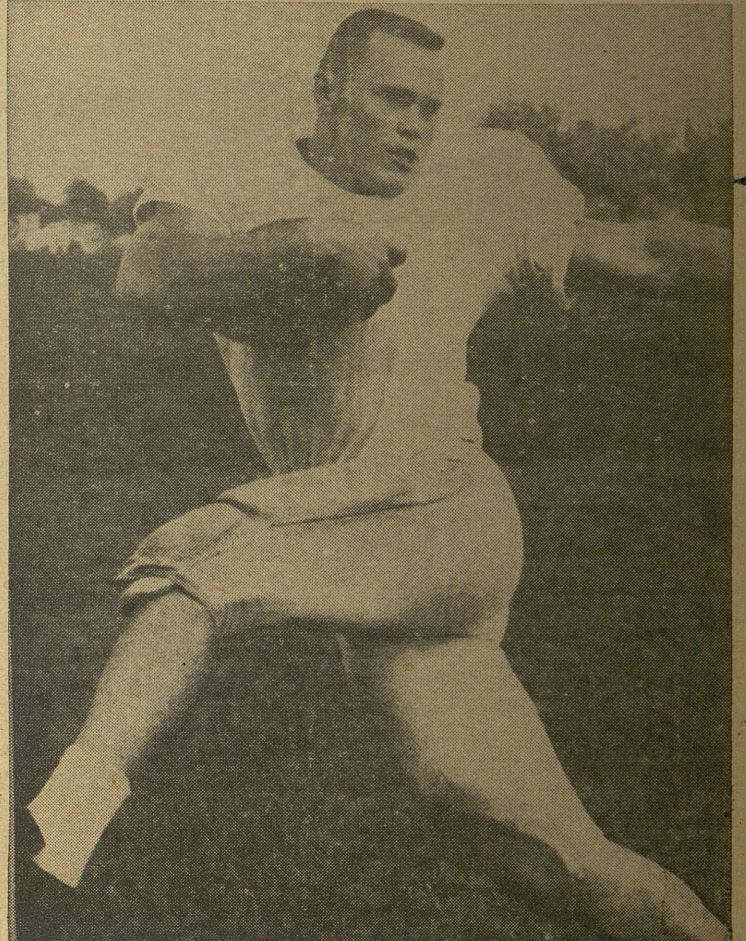

While not committing himself on the season standing, Wagstaff promised his fans exactly what real fans want to hear:

"We don't know how many games we'll win or lose, but we'll do our best and give them all a good ball game."

In regard to the prediction made

by the National Junior College Athletic Association in selecting the Apaches the top team in the new Texas Eastern Junior College Conference, the head coach noted that "we've always been rated among the top but we don't get excited over it."

"We're not against it, being up there, and we believe it doesn't affect the team. Sometimes it helps the team to know they are rated high."

HIGH-STEPPIN' APACHE—Back to help the 1957 Hospitality Bowl Champions toward another successful season is Larry Corley from Hemphill. The 5'10", 185-pound fullback started in the Tyler-San Angelo game Saturday night.

Gosh frosh!

how'd you catch on so quick? Catch on to the fact that Coca-Cola is the hep drink on campus, I mean. Always drink it, you say? Well—how about dropping over to the dorm and downing a sparkling Coke or two with the boys. The man who's for Coke is the man for us.

3 Bible Chairs Now Affiliated With TJC

With the opening of the Church of Christ Bible Chair last week, TJC probably became the only junior college in Texas to have three separate Bible Chairs affiliated with the college.

To his knowledge, the Rev. Leo Rudd, director of the local Baptist chair, said he "believes TJC is the only junior college in the state with three such Bible chairs."

The Church of Christ, Methodist, and Baptist chairs, located just across the campus on Bexter Street, open their centers and offer their services to all TJC students.

P. D. Wilmeth, minister of the Glenwood Church of Christ, is instructor at the new center, and James Fife, just graduated from Abilene Christian College, is director of student activities.

The Baptist chair, first of the denominations to be established,

came when the college moved from Tyler High School to its present site in 1949.

Now under the direction of the Rev. Arthur Pry, the Methodist Bible Chair was established early in 1955.

Pry said plans were to erect a new Methodist Bible Center building by next fall.

All the Bible chairs are supported by their respective denominations in the Tyler area. All Bible courses carry full college credit.

The courses offered by each chair are Old Testament Survey, New Testament Survey, Life and Teachings of Jesus, and the Life and Teachings of Paul.

These Bible courses, according to Pry and the other directors, are taught from a literary-historical approach to faith rather than from a denominational approach."

Kirshbaum Back At TJC After Summer Engagement

Joseph Kirshbaum, head of the Texas Eastern School of Music has returned from a summer engagement as concertmaster of the San Diego Symphony Orchestra. Kirshbaum also was a guest lecturer at the Choral Workshop at San Diego State College.

His appearance with the San Diego Symphony Orchestra was not his first, for Kirshbaum played in the 90-piece Symphony Orchestra when it was organized in 1927—at that time he was in high school and only 15 years old. Since that time, Kirshbaum has performed with the orchestra intermittently. His last appearance was in 1949.

The Symphony gave 10 concerts in seven weeks, ranging from modern jazz to Beethoven, Brahms, and Bach. Outdoor appearances were held in Balboa Park Bowl,

which seats 4500. The orchestra performed with the San Diego State College Opera Workshop, and in "Around the World in 80 Days."

The San Diego Symphony Summer Concert closed with the production of Beethoven's "Missa Solemnis."

Kirshbaum gave the violin solo in the production. Kirshbaum said, "ordinarily the violin solo in such productions are very short, but on practicing I found five pages, so I went into hibernation with my violin for three days."

Hibernation paid off because according to music critic Constance Herreshoff, "Joseph Kirshbaum, concertmaster of the orchestra, played a violin obbligato of ethereal quality in one of the calmer episodes of the Mass."

Belles, Band Order New Western Hats For '58-'59 Season

New hats are the order of the day for the Apache Belles and band.

Students have already been measured and the order is in the mail. The Belles will have white "telescope" hats with rolled brims.

Band hats will have a more pronounced change. The black hats now in use will be changed for hats of bright gold. They are actually a return to the original color scheme, for it was only in 1955 that gold Stetsons were replaced by the black ones worn now.

Director Eddie Fowler said the gold hats were favored because "they show up better on the football field."

No other changes are being made in the uniforms of the two groups. The Belles will wear the traditional black-trimmed gold and white costumes with white hats and boots.

Their uniforms are actually "two-in-one" because they wear reversible white gabardine and gold satin skirts. These skirts, worn over white fringed tights, with gold blouses trimmed in black, and white gabardine jackets, make a colorful array when the girls go into their famed "skirt routine" on parade.

The bandmen wear black and gold western-style uniforms. Mrs. Mildred Stringer, director of the Belles, was the designer of both group's uniforms.

80 Members Attend Sigma Sigma Meeting

Eighty members attended the Friday initial meeting of Sigma Sigma, a club for secretaries and stenographers. Meetings are held every two weeks.

Various field trips are being planned by the organization, according to Carolyn Price, president. Carolyn is a sophomore from Tyler. Donna England, freshman, is vice-president. The treasurer is Barbara Brown, a sophomore from Chapel Hill.

Wesley Foundation Holds Open House

President John Lawhorn welcomed freshman students at a "Cake 'n' Conversation" open house at the Wesley Foundation last Monday afternoon.

In the short program Gary Williams, treasurer, explained that the Wesley Foundation "strives to be a Christian community on the campus of Tyler Junior College." Elizabeth Balfour, secretary, announced the program series for the coming year, beginning with "Gods of the Campus," a series of three programs.

Morning worship services are held each Wednesday from 8 until 8:30 a.m. and regular meetings are scheduled each Thursday at 10:13 a.m. unless other all-college activities conflict.

Ned Jolley is vice-president of the organization and the Reverend Arthur Pry is student director.

Two freshmen council members and a publicity chairman will be added sometime soon, Mr. Pry said.
